

## Oasis Enamels

Welcome to the world of True Colours - Oasis Paints and Coatings Manufactured in Sharjah, are offerings from Al Gurg Paints (part of Easa Saleh Al Gurg Group) developed to suit the unique requirements of the Pan Gulf region.

When we hear the word 'desert', we normally conjure imagery that is barren, dull and lifeless. However, at Oasis we see different, we see the desert as a beautiful landscape to add colour and life into. That is why Oasis range of Paints and Coatings, developed by Al Gurg Paints, brings a dash of freshness with a splash of colour to UAE.

Combining the twin attributes of quality and aesthetics, Oasis Paints allows you to imagine and create your own distinct personality in the desert, by adding colour and creativity to your life and your home. With a portfolio inclusive of Interiors and Exteriors, with different finishes and textures, Oasis Paints and Coatings not only offers a wide range of hues and shades, but above all offers impeccable quality.

Moreover, Oasis, in its true sense is a testimony to the Emirati indigenous technology at work. A well equipped Research and Development facility with chemists possessing a combined experience and regional performance requirements, since they have been developed to suit the aggressive atmospheric conditions.

So, whether it's a textured exterior of a villa or the smooth finish of an apartment, Oasis offers definite choice and option that suits both tastes and pockets.

Oasis comes with guarantee that they will always be **TRUE TO COLOURS!**
